Old Business

- The POTA event @ State Citrus Park went very well. Madeline AJ6MF made several contacts, but one short to have an activation. The next POTA will be scheduled for December, will need to check the calendar for dates and send out an email. The location can be the same or we can also do it at Perris Lake.
- The T-Hunt was fun, it was located at the Martha McLean Park. The tape measure antennas worked well to get you in the general location, the addition of an Attenuator will help to pin point the exact location. Another T-Hunt will be scheduled soon, more information to follow.
- The Clubs newsletter “The Monitor” is coming back to life, Madeline will be gathering information from the Members, please email her at mad.h@att.net
- Prior to the Club meetings at 6:00pm on Zoom a Club meeting social chat, prior to the 7:00 pm Club MOTA. Another social net was proposed maybe on a Saturday morning, more information to follow.
- Club membership dues is \$25 per person or Family, please go to the club website to fill out the membership application and mail the fee to the PO Box.

New Business

- Clubs monthly Simplex Social Net, November 21st @ 11:00 am, 440 meter 446.000 mhz.
- The Club's annual Christmas party potluck will be held at Ryan Bonaminio Park, December 19th @ 12:00, 5000 Tequesquite Ave. Riverside, CA 92506. We do not need a permit, so we will set up early at a table area, I believe we will need to have canopies for shade and possibly more tables. An email will be sent out with a sign-up sheet on what you will be bringing for the potluck.
- Alan suggested setting up remote Echolink accessible radio for the Club.
