Hi RCARA Hams

#14 October, 2022

Thursday, October 13, 2022 6pm

KOUNTRY FOLKS RESTAURANT

3653 LA SIERRA AVE

RIVERSIDE, CA

General Meeting, All Welcome

A whole year has been flying by and it's time again to consider nominations for the board for RCARA 2023. Elections will be in November, installation in December (at Christmas Party, Dec. 8, 2022)

The officer positions are:

President

Secretary

Vice President

Director of Communications

Treasurer

Membership

The functioning of our group depends upon your participation. Whether you join a net every week or just Zoom or come to a meeting every month or just listen in, we exist because you participate.

We will have openings in almost every category this year so your willingness to volunteer is very important to all of us. Be sure to come to the General Meeting Thursday 6pm at Kountry Folks with your ideas!

SHAKEOUT is OCT 20

International SHAKEOUT Day is a chance to practice Earthquake Preparedness. Read all about it on the website: <https://www.shakeout.org/california>

Beginning at 10:20 am on Oct 20, RCARA will be doing a ShakeOut Net, using first our Repeater frequency, then our Simplex frequency, then a Mystery frequency to test our radio skills. This event takes place every year. Did you participate last year?

WEEKLY Net/Chat events have been expanding this year, thanks to the enthusiasm of Clair, K6LG. Aside from the usual Monday net at 7pm on 146.880, we have the Tuesday 10 Meter net at 7pm on 28.328 USB and now a chat net on 6 meters on 50.00 FM after each of those nets. Lots of radio waves bouncing around out there!

Did you have any special contacts on a high Solar Flux Index day this summer? If you received a special QSL card lately, why don't you bring it Thursday so we can admire it?

See you Thursday, Oct 13, 6pm. (We each order our own food before the meeting starts)
