HAPPY ANNIVERSARY to All of us RCARA Hams!!!

We, RCARA, were “born” in 1955. That makes us 68 years old, so let’s get together to celebrate. Take a minute and scan through the pictures of previous Field Day events on our club website, W6TJ.org. Maybe some of you have pictures from even earlier Field Days.

Last month’s meeting featured our special guest, Jacob Lewellan, who delighted us with his pictures and descriptions of his work in Cameroon.

This month we will discuss this year’s Field Day and the purchase of battery for next Field Day.

What have you succeeded with lately with your radio?

See you at Kountry Folks August 10 at 6pm
