General Meeting, All Welcome

Auction Will Be Held At the Meeting Bring \$ (or credit card or paypal)

RCARA has a stockpile of donated equipment that will be available at auction to support the club. Be sure to come, check it out, donate to the club and add to your collection! We might have something that you **really** need!

POTA at Citrus Park, Riverside Saturday, April 20, 2024 9am to 3pm

Have you checked out POTA.app? Have you read **The Parks on the Air Book** yet? Come to the **California Citrus State Historical Park**, corner of Van Buren and Dufferin (9400 Dufferin). See/hear what's going on, give it a try. After entering (\$5, I think), turn left and follow the road around to the big lawn area. We'll be setting up. Come to the meeting Thursday to learn more details. (The park has a very nice museum with the important history of citrus in our area)

DX in Visalia

I won't be at the meeting Thursday because I will be at the **75th International DX Convention** in Visalia this weekend, sponsored by the Northern and Southern California DX clubs. Lots of stuff to learn about/see, lots of people to meet, stories to hear about.

73!
