Hi RCARA Hams

#10 April, 2022

GENERAL MEETING THURSDAY, APRIL 14, 2022
At the RIVERSIDE SEVENTH DAY BAPTIST CHURCH
5901 CHICAGO AVE, RIVERSIDE, CA 92506
7PM

We'll be getting together to say goodbye to our President, Alan KM6KPW, and to officially promote our Vice President, John W7RSO, up the ladder to President.

Unfortunately for us, Alan is taking his antennas to AZ but we will still make him report in by EcoLink for our nets. Juan, AJ6PH, is thinking about taking over as controller of EcoLink so that we can still contact you near and far-away folks who benefit from this service that Alan activated for us. Each of you that lend a hand with a club function help the club succeed!

The RCARA Board has been discussing possible new venues for in-person meetings so we need your input. We thank Alan for finding us a space at his church to use for a while but now we will have to find another place.

We thank you 32 members who paid dues so far and we are looking forward to saying "**Hi, again!**" in person. Treasurer Jim, AG6EA, says **Super Thanks** to all of you who have paid by PayPal. That is so much easier for him and we hope it was easy for you also. If you haven't gotten around to renewing yet, print out the application from the web site (**W6TJ.org**) and bring it and \$25. Bruce, W6SOW, membership, and Jim will be at the meeting to help you.

These last 2-3 years have not been what we have enjoyed in the past so we'd like to hear what you've been doing with your radio skills. You're welcome to come a bit early to help set up tables and chairs. Masks are ok, your choice.

SEE YOU THURSDAY!!
