**Communications Ron:**

- A. Repeater is doing well, 220 signal sometimes gets a little wonky but it not a fixable issue.
- B. Has some updates on our now silent key to give to the membership at the general meeting.

**Website/Net report Juan:**

- A. This Month's general meeting will be held at Riverside EOC has already been put on website and emails were sent out as well, we have and will again announce and remind on Facebook as well. Adrian will be at the gate until the meeting starts to help direct members who are

not familiar with the site, we will be monitoring the w6tj repeater and the call in frequency as well.

- B. Echolink was down for a while for repairs and is now back up with no issues
- C. Websites only allow Microsoft notes, do not send Juan things on the mac addresses as they do not upload anymore only use the Microsoft addresses.
- D. Additionally we need some people who are willing to be 6-meter net control operators.

**Additional discussions/New Business:**

- A The membership approved purchase of a new club cooler Steve will handle this purchase.
- B. Steve after reviewing bylaws noted that the newsletter is a board position in the Bylaws so we move realign with that and Madeiline will continue to fill the position.
- C. the Tuesday CW classes are going well currently drawing about 6-7 people
